The third evaluation round of the implementation of the Convention on Action Against Trafficking in Human Beings in Latvia is currently happening.

At the end of November the Ministry of the Interior will receive the results of the evaluation. We invite you to watch two video stories about trafficking in human beings and related challenges globally and in Latvia.

National Anti-Trafficking Coordinator Agnese Zīle-Veisberga talking to Antoaneta Vassileva, First Vice President of GRETA, and Petya Nestorova, Executive Secretary of the Convention on Action Against Trafficking in Human Beings.
